Dear Bob:

On behalf of Lakeridge Health Foundation, please accept my personal thanks for your most recent pledge payment of \$20,000 towards your pledge of \$100,000.00 for our Interventional Radiology (IR) suite. A receipt is enclosed for the first installment of the five-and-a-half year pledge.

As you may know, plans are moving along for the new IR suite and the blue prints are in final stages. Construction will begin soon on doubling the size of the department with four rooms, all built to the high standards of an operating suite. Thanks to the generosity of donors like you, the very best equipment and space will allow twice as many patients to be seen and that means a better, faster and safer health care experience for so many people in our community. Completion of the new IR suite is scheduled for 2018.

Please do not hesitate to contact me directly at 905.576.8711 ext 4439. Alternatively, you can reach Paula Arscott at ext. 4176 or by email at parscott@lakeridgehealth.on.ca.

Again, many thanks for your generous support.

Sincerely,

Yves Gadler, CFRE
Chief Executive Officer
